

# Download 17 Hp Kawasaki Engine Owners Manual

I just purchased a Gravely Pro-Turn 152 XDZ mower with a commercial Kawasaki FX691V 22hp engine. I have always had Briggs & Stratton mower engines Assuming this is a vertical shaft unit look at the base of the engine. You'll see a small plug with either a thumb handle or 2 pips to unscrew the plug. The Kawasaki KX80 is an entry level competition motocrosser for younger enthusiasts that was produced from 1979 - 2000 . It competes in the 80cc class and was upgraded to the 85cc KX85 in 2001. Page 2 Public Resource Code. To acquire a spark arrester for your unit, see your Engine Service Dealer. Exmark reserves the right to make changes or add improvements to its products at any time without incurring any obligation to make such changes to products manufactured previously.
