The Mini Cooper is a compact two-door four-passenger car with a surprising amount of room in a relatively small and fun-to-drive package. The base model has been bumped up and now offers 118 horsepower from its 1.6-liter engine linked to either a five-speed manual transmission or the optional variable speed automatic. The Mini Hatch (stylized as MINI hatch, or MINI Hardtop in the US), also known as Mini Cooper, Mini One, or simply the Mini, is a three-door or five door hatchback first introduced in late 2000, with a second generation launched in 2006 and a third generation model launched in 2014. A convertible version was introduced in 2004, with the second generation following in 2008. Edmunds has detailed price information for the Used 2016 MINI Cooper.
