Tampa International Airport operations documents, including permit applications, manuals and operating directives. Welcome to IATA's new London training venue at the Imparando City of London Learning Center! Imparando is a spacious, purpose-designed training venue close to London's financial and legal centres in central London, and is walking distance from the Aldgate East underground station. Cargo handling is performed at thousands of airports all over the world by hundreds of companies, big and small. This poses a high potential risk for deviations in quality of handling. IATA actively drives the development of ground handling operations standards, best-practice processes and ...
