The Internet has thousands of lesson plans available to anyone. Probably hundreds, if not thousands, are added daily. In an effort to narrow things down a bit we have searched the Internet for sites that have good lesson plans. By Julie Bolkin O'Connor, Ph.D. As teachers, we understand the importance of engaging our students. Researchers agree that motivation to learn is one of the most important indicators of student success, regardless of age. An interested student will give the learning task extra attention, and is more likely to retain what he or she has [...]
