There are many, many other varieties of which you may not even have heard. Barista is an Italian term which in that language means a bartender, but they are not the ones who assist in getting you drunk and cloud your mind, rather they invigorate you, giving you a kick at any time of the day!. The barista job description includes preparation and serving of espresso based coffee drinks.Etymology and inflection. The word barista is an Italian word, and in Italy, a barista is a male or female "bartender", who typically works behind a counter, serving hot drinks (such as espresso), cold alcoholic and non-alcoholic beverages, and snacks.. The native plural in English is baristas, while in Italian the plural is baristi for masculine (baristi: "barmen", "bartenders") or bariste ...
