TUC Radio is reporting on the work of the environmental direct action group Extinction Rebellion – aka XR. It was with great joy that I discovered that Joanna Macy, teacher and writer on environmental justice, Deep Ecology, and Buddhist practice is admired by XR and is engaging with them in dialog. Please find the list of Books at JSTOR titles available to DRAA member institutions below. Titles link directly to the book on www.jstor.org. The California electricity crisis, also known as the Western U.S. energy crisis of 2000 and 2001, was a situation in which the U.S. state of California had a shortage of electricity supply caused by market manipulations and capped retail electricity prices. The state suffered from multiple large-scale blackouts, one of the state's largest energy companies collapsed, and the economic fall-out ...As a follow-up to Tuesday's post about the majority-minority public schools in Oslo, the following brief account reports the latest statistics on the cultural enrichment of schools in Austria. Vienna is the most fully enriched location, and seems to be in roughly the same situation as Oslo. Many thanks to Hermes for the translation from Unzensuriert.at:
