3. Academy of Medical Royal Colleges (2008) A Code of Practice for the Diagnosis and Confirmation of Death. London: Academy of Medical Royal Colleges. On May 9, 2019 all nurses with an email address on file at the North Carolina Board of Nursing (NCBON) should have received a renewal reminder that effective July 1, 2019, notices of licensure renewals will no longer be mailed out. The NCBON will be converting to an electronic notification system called Nursys e-Notify for automated license notifications. Nursing is a profession within the health care sector focused on the care of individuals, families, and communities so they may attain, maintain, or recover optimal health and quality of life. Nurses may be differentiated from other health care providers by their approach to patient care, training, and scope of practice. Nurses practice in many specialties with differing levels of prescription ... Health informatics (also called health care informatics, healthcare informatics, medical informatics, nursing informatics, clinical informatics, or biomedical informatics) is information engineering applied to the field of health care, essentially the management and use of patient healthcare information. It is a multidisciplinary field that uses health information technology (HIT) to improve ...
