Buy Solution Manuals, test bank, exam bank, quiz bank, solutions manual, answer key How is Chegg Study better than a printed student solution manual from the bookstore? Our interactive player makes it easy to find solutions to problems you're working on - just go to the chapter for your book. It is defined as the property of a material which is rigid and difficult to bend. The example of stiffness is rubber band. If single rubber band is stretch by two fingers the stiffness is less and the flexibility is more.
