Interview Field Guide Series

People seek medical services for many different reasons. Medical care for acute or chronic conditions is the principal reason, but patients also request clinicians' advice about maintaining their health, good nutrition, exercise programs, and other strategies to prevent disease. Near the end of life ...A Urology Resident's Perspective: From an interview with a urology resident from the University of Southern California (USC) Medical Center in Los Angeles, California. Part of an interview series entitled, "Specialty Spotlights", which asks medical students' most burning questions to physicians of every specialty. See what doctors from every specialty had to say about why they chose ...Link to Departments website. The major in Accounting at UGA is designed to give students an understanding of the theory of accounting as it is used in our society: accounting standards, financial statement preparation, product costs, budgeting, taxation, auditing, risk assessment, and controls. Since this site was first put on the web in 1999, its popularity has grown tremendously. If the total quantity of material on this site is to continue to grow,
