

Download Florida Targeted Case Management Medicaid Manual

Dear Medicaid Mental Health Targeted Case Management Provider: The Florida Medicaid Mental Health Targeted Case Management Coverage and Limitations Handbook was updated effective June 2007. The handbook was revised to remove the enrollment requirement for all Medicaid Mental Health Targeted Case Management providers to Florida Medicaid's Covered Services and HCBS Waivers Mental Health Targeted Case Management. Medicaid Mental Health Targeted Case Management services provide case management to adults with a serious mental illness and children with a serious emotional disturbance to assist them in gaining access to needed medical, social, educational, and other services. This chapter describes the Medicaid Targeted Case Management Program for Child Health Services targeted groups, defines eligible providers, and gives the qualifications for provider enrollment. Legal Authority Targeted case management services are authorized under Section 1915(g) of the Social Security Act.
