1 www.intertek.com Food Contact Materials EU No. 10/2011 legislation Welcome to the Intertek Webinar
March 1, 2012 By Sonja Grosemans and Nadine Thomis Food contact materials are a ubiquitous part of a food's
lifecycle, whether during storage of materials (tanks, silos, etc.), food manufacturing (work surfaces, conveyor
belts, machines, etc.) or in the packaging, pots or boxes containing the food. It is necessary to ensure that these
materials are not a source of health risks. The quality and safety level of food contact materials is ...Silicones
