The Ford Escape is a fleet-footed SUV with impressive handling, which helps make it one of the sportiest small SUVs. It has 1.5- and 2.0-liter turbocharged engines, but we got just 23 mpg overall ... The Ford Escape rolled off the line for the 2001 model year as a compact crossover SUV. It was designed with an independent suspension along with rack-and-pinion steering, as Ford decided to build the model with a monocoque chassis for car-like handling. The Ford Taurus is an automobile that was manufactured by Ford in the United States from model years 1986–2019, and currently by Changan Ford in China since model years 2016. Produced in six generations for the North American market, the Taurus was originally introduced in 1985 for the 1986 model year, and had remained in near-continuous production for more than three decades.
