Aircraft Commerce is a unique commercial aircraft magazine providing the commercial aircraft industry with in-depth intelligence in a number of formats such as an article archive, Airframe Maintenance Costs, Airline fleet planning, Aircraft Leasing, bi - monthly magazine, conferences and exhibitions. The training focus of this site is for the Airbus A319/320/321 series aircraft CQ. I have included the Simulator Callouts and Approach Briefing Guide, Type Rating Oral Guide, and CQ Scenarios. How to understand and use different airline classes Since the first commercial flight in 1914, the airline industry has achieved many milestones, including introducing innovative amenities to entice travelers to fly the friendly skies. Today's flight experience is, of course, vastly different from the inaugural commercial flight in 1914.
