Page 1 GERBERSERVICE XLP GERBERplotter Family Installation & Configuration Presented by Ronny Sprangers XLP Installation & Configuration, June 2010...; Page 2 Training Outline • Overview of XLP Plotter • Hardware Installation • Software Installation • Gerber Device Configuration • The XLP Interface • Calibrations • Maintenance XLP Installation & Configuration, June 2010...Installer instructions for the GERBERconnect-SPC Agent, which is a small program that captures the log files and system information during operation. Colt Commercial Production: Govt. Model: 1912 to 1981. Model 1911 Serial Numbers – Date – Number Made. S/N C1 to C1899 – 1912 – 1899 S/N C1900 to C5399 – 1913 – 3500The first area of attention is the extractor groove itself, where the rim of the cartridge rides up into the groove from below. The extractor, when properly fit, does not “snap” over the rim of the cartridge, but the cartridge pushes up from below as it is fed from the magazine.
