

Download Hitachi Excavator Ex60 Service Manual

We've just acquired a Hitachi excavator that we have not been able to identify as to model. Seems to be either a UHO25 or EX60, but has no serial number or model identification that we can find. There have been many posts here discussing "Grey Market" excavators and the availability of parts. I know some brands have many differences between the two but what kinds of experiences have others had with Hitachi?
