

Download Introduction To Legal Writing

The Introduction to Legal Writing Seminar at Southwestern provides pre-law students with a head start in their legal education. Serving as a bridge between undergraduate education and law school, the program provides students with the opportunity to practice writing in an intellectually demanding, but pressure-free law school environment. INTRODUCTION TO LEGAL WRITING At the end of this study unit you must be able to:

- Demonstrate an understanding of the importance of legal writing within the scope of the legal profession.
- Employ source citations in strict accordance with the instructions as set out by Journal of Juridical Science.

The Legal Writing course is the first part of a two-semester writing program designed to get you started analyzing legal problems and writing like lawyers. In this first semester, you will learn the skills necessary to write an objective legal memorandum. In the second semester in Appellate Advocacy, you will learn the
