Water is clearly a vital resource, yet we often neglect the quality of the water being used in our homes. To address this issue, finding the best water softener system for your home is often the solution. Kenmore Water Softener Review. Kenmore's 41,000 grain water softener is what you can consider to be an entry level water softener. The price starts at \$497, which makes it one of the most affordable softeners on the market. Yet despite its low price, the 41,000 grain capacity is large enough for the needs of a 4 to 6 person household. Finally the Kenmore 41000 comes with full certification ... The WaterMax I purchased and had installed in 1994 has provided my home and family with top-quality water, with no need for a single repair until a small piston became stuck after over 24.5 years ...
