This outboard runabout is 19.92 feet long and weighs 1900 (pounds dry). This weight does not account for passengers, fuel, or gear. The beam of this craft is 100 inches. Page 1 Larson Boats reserves the right to change, alter, and modify their finished boats, parts, and specifications included in your Owner's Manual without notice. Optional equipment described in this manual may vary from model to model and year to year. Please consult with your Larson Dealer for current information on standard and optional equipment and specifications. I was wondering if anyone might have the link to the online mercruiser service manual? Specifically, I am looking for an exploded view of the gimbal assembly area on my alpha one stern drive.
