

# Download Lesson Plans For Inferential Skills

Reading comprehension involves three levels of understanding: literal meaning, inferential meaning, and evaluative meaning. This lesson will...Descriptive and inferential statistics each give different insights into the nature of the data gathered. One alone cannot give the whole picture. ...Not only is this resource no prep, but it is also able to be used for more than just articulation practice! A long list of sounds are targeted by the stories in this product, and there are a wealth of skills and concepts targeted, such as K-W-L (Know, Want to Know, Learned) is an instructional reading strategy that is used to guide students through a text and help them monitor their comprehension.
