This is the same book used by authorized Honda dealers, a must for anyone who insists on OEM quality parts. Available as an option on GCV and GSV models. Honda's Auto Choke System is available for use on GCV160 and GCV190 engines in fixed-throttle lawnmower applications. This user-friendly system is truly automatic, eliminating levers and cables. The engine starts easily whether cold or hot and is ready to use immediately. I have owned a lot of lawn mowers over the years. The Honda GCV160 engine on the Lowes Troy built model 11A-542Q711 lawn mower is the worst engine I have seen. Since brand new the engine burns rich (black smoke emits from the exhaust). The spark plug fouls up after approximately 15 minutes running, causing the engine to stop. Thank you for purchasing a Honda engine! We want to help you get the best results from your new engine and operate it safely. This manual contains information on how to do that; please read it carefully before operating the engine. If a problem should arise, or if you have any questions about your engine, consult an authorized Honda servicing ...Shop manuals. Search for the shop manuals in the language of your choice. The shop manuals have been limited to the items which are most relevant for standard service jobs. The complete version is available through the spare parts link.
