

Download Mercury Milan Manual Transmission

The Mercury Milan is a mid-size sedan that was marketed by the Mercury division of Ford Motor Company. Named after the northern Italian city, the Milan was sold across the 2006 to 2011 model years across a single generation. The smaller of two model lines developed to replace the Mercury Sable, indirectly succeeding the Mercury Mystique as the smallest Mercury sedan. Need MPG information on the 2007 Mercury Milan? Visit Cars.com and get the latest information, as well as detailed specs and features. Save \$2,805 on a used Mercury Milan near you. Search over 500 listings to find the best local deals. We analyze millions of used cars daily. A carry-over from 2006, the Milan is a mid-size family four-door five-passenger sedan that is offered in base trim with an inline 2.3 Liter four-cylinder engine that produces 160HP and a five-speed manual transmission or an optional five-speed automatic.
