Not Fit for a Dog!: The Truth About Manufactured Dog and Cat Food [Michael W Fox, Elizabeth Hodgkins, Marion E Smart] on Amazon.com. *FREE* shipping on qualifying offers. Highlighting the dangers of modern pet food--how it is unbalanced, creates addiction, and often contains ingredients that can literally poison your petThe past decade has seen a steady increase in the number of pet nutrition books on the market, all geared toward helping people learn more about commercial diets, natural feeding and how to provide optimal nutrition for our companion animals. One of these offerings, Not Fit for a Dog!, written by three distinguished veterinarians, takes this literature to a new level. Not Fit for a Dog!: The Truth About Manufactured Dog and Cat Food. This book clearly indicates that the massive recall of more than 1,000 different varieties of cat and dog food is but the tip of the proverbial iceberg. Beneath the radar of inadequate government oversight, there are serious problems about pet food manufacturers' claims...Not Fit for a Dog provides us with solid information that we can act on, and gives us a knowledge base with which we may judge the validity of information from other sources. This book provides easily understood nutrition and health information, and I appreciate the fact that it is written by pet professionals.
