Modeling Is Not An Easy Job. If Not Done Professionally, It Can Lead To A Model Mayhem. Here's A Complete Guide Featuring Amazing Tips On What To Expect, The Challenges During The Photo Shoot & How To Overcome Them And Emerge A Perfect Model Of The Day An art model poses for any visual artist as part of the creative process, providing a visual reference for the human figure in a work of art. However, more than being simply the subject of art, models are often thought of as muses, a source of inspiration without whom the art would not exist. The most common types of art works that use models are figure drawing, figure painting, sculpture and ... Previously in the posing guide series articles we looked at posing female subjects, posing male subjects, posing children and posing couples. It is now time for posing groups of people. There are usually three kinds of group shots. First are just formal shots with a large number of people. Second are more informal shots with [...]

A Guest Post by Kaspars Grinvalds from Posing App.. In the previous articles in this posing guide series we looked individually at posing female subjects, posing male subjects and posing children (there are links to the full series of posing guides below). In those individual person portraits the main subject was a single person and her or his personality.
