

Download Progress Letter To Parents From Teacher

Carroll County Schools wishes to meet the needs of all of its students and families. If any member of your family needs assistance or has any questions regarding mobility impaired issues or handicapped access, please contact the principal of your local school. Grades K, 1, and 2 use Progress Book for report card entry only. (Kindergarten progress reports go home at the end of each semester). Program Overview. On January 1, 2014, the California Assessment of Student Performance and Progress (CAASPP) System was established. The primary purpose of the CAASPP System is to assist teachers, administrators, students, and parents by promoting high-quality teaching and learning through the use of a variety of assessment approaches and item types. What information should I receive from the school? If a teacher, or a school, decides to implement student progress monitoring, you may receive a letter describing the program and how the teacher will be working with your child, or it may be discussed at your child's IEP meeting.
