Disaster Cycle Services Overview. This course is the first in the Disaster Cycle Services course curriculum. It provides an overview of how DCS fulfills the Red Cross mission and describes the whole cycle process of helping individuals, families and communities to prepare for, respond to and recover from disasters. AMERICAN RED CROSS FIRST AID MANUAL ... a disaster strikes. Store them in a container such as a backpack or duffel bag. Ideally, you should have one in your home and one in your car and one in your place of business and child's locker. The Red Cross can help you prepare your family, your pets and your home for common emergencies and natural disasters. Read below for information about emergencies that can occur where you live, and learn the difference between a "watch" and a "warning". Get tips for preparedness steps you can take today, what to do in an emergency, and how to repair and rebuild afterward.
