

Download Right Wing Populism In Europe Politics And Discourse

Reviews. Right-wing Populism in Europe: Politics and Discourse represents, therefore, a noteworthy contribution to the growing literature on far-right movements and parties, as well on populism. The authors deserve credit for this well-written book and their engagement with such pervasive and ubiquitous trends.” “[A]mbitious in its scope ...Right-wing Populism in Europe: Politics and Discourse represents, therefore, a noteworthy contribution to the growing literature on far-right movements and parties, as well on populism. The authors deserve credit for this well-written book and their engagement with such pervasive and ubiquitous trends.”In addition, while the book acknowledges the evolution in the discourse and action of right-wing populism, it asserts its deep links with historical fascism. Some of the shortcomings of the book lie in the lack of theoretical output.Right-Wing Populism in Europe Politics and Discourse - Editor(s): Ruth Wodak, Brigitte Mral, Majid KhosraviNik - Bloomsbury Academic, Uk, 28-03-2013 Right-wing populist movements and related political parties are gaining ground in many EU member states.
