

# Download Safety Managers Guide To Office Ergonomics

As a responsible employer, make your contribution to employee wellbeing by examining the issue of ergonomics in the workplace and office safety. UCLA Ergonomics provides employees with onsite workstation evaluations and training to promote a healthy workspace and avoid discomfort. Onsite workstation evaluations are available to all UCLA Campus employees. Training is an important element in the ergonomic process. Training should be conducted in a language and vocabulary that all workers understand and is best provided by individuals who have experience with ergonomic issues in your particular industry. When training is effective workers will ...Alert: Due to routine maintenance on the OSHA website, some pages are temporarily unavailable.
