The acquisition of zinc spark potential is meiotic-stage dependent. To determine whether the zinc spark was a hallmark of fertilization-competent gametes, we compared the zinc spark profiles of ...Barry Crean - Chief Operating Officer Mr. Crean is the Interim President & Chief Executive Officer of TELUS Spark, where he oversees the operational excellence and long-term sustainability of all facets of the LEED Gold building. The concept for a laser spark plug was described by Weinrotter et al., in 2005 []. The solution for “noncentral ignition source” with one ignition laser on each cylinder of an engine and a pump source located apart was preferred. After being with Spark since nearly the inception, I continue to be inspired by the work that we do. Spark is striving to make the world a better place in which to live.
