

Download The Welcoming House The Art Of Living Graciously

A large, private, three bedroom, two bath, house with magnificent views of the Pacific Ocean. Each bedroom is luxuriously appointed. The living room and dining area have a truly incredible six window view of the Pacific with white water waves crashing over exposed rocks. Casa de las tres hijas is a fantastic property. I almost don't want to let everyone know how great it is, for purely selfish reasons! Our family & friends - there were 7 of us - had a super relaxing, lovely ten days over the xmas/new years holiday. Perfect Once Again This was our third Christmas at Good Vibes. It's the perfect home for family and furry family to enjoy endless hours of walking on the beach, walking the great neighborhood, cooking many meals in the well appointed kitchen, and screaming for our favorite team on the big screen in the living room. You don't want to miss this very bright, open, and move in ready 2 bed 2 bath condo in River Forest. This well-maintained unit welcomes you with an open combined living room/ dining room area, gleaming hardwood floors, and a large balcony overlooking Keystone Park.
