

# Download Understanding The Hand Wrist Chart Laminated Wall Chart

The Understanding the Hand & Wrist chart presents an in-depth look at the structure of the wrist and hand. The main image shows the left and right hands and wrists with musculature and ligaments. This 25 1/2" budget painted skeleton has muscle insertions and origins painted on the left side of t Pete's arms and legs are affixed with tiny screws to allow movement and are realistically jointed at It's true. I don't use a clip chart as a behavior system. Are you still reading or did you click out already? I know. I'm such a rebel. So is Jen over at The Teacher's Cauldron. She recently talked about her behavior system which is not a clip chart either. She inspired me to [...] We read the book called The Kissing Hand often and we set up a routine at drop off that included a kiss in the palm and we drew hearts on each other's arm. He took a photo of us to school with him. Eventually, he started to forget to bring his photo and stopped picking the book at bedtime for stories, but we continued the kiss in the palm throughout the whole year.
