I think he's basically on this earth right now at this time and place to heal. He is the real thing. I can't tell you how many times he's been right with me." This is the first book I have read from James Van Praagh. The author offers a lot of insight for living a fulfilling life that he has learned from the dead (spirits). He is an acclaimed medium who has done thousands of "readings" and written several books. I really enjoyed reading "Unfinished Business".
