

# **Download Woodmaster 4400 Wood Furnace Manual**

Ideal For Small Commercial Applications. The WoodMaster 4400 heavy duty wood furnace is double-plumbed to heat office space or other commercial combinations, including hot water. Its larger firebox, larger fuel door and higher Btu output delivers ease of use and maximum efficiency. Economical Heat Efficiency. The WoodMaster 3300 wood furnace, plumbed with a single heating loop, is an economical choice when there is no need for multiple hook-ups. The 3300 furnace comfortably heats an average sized building and its hot water. Download Brochure Wood master 4400 Heavy duty Pdf User Manuals.
