Introducing the winners of Walsworth's 2019 Photo Contest. Walsworth's 2019 Photo Contest has come to a close, and with more than 5,200 entries, this year's contest was the largest yet. Thank you to all the talented yearbook photographers who took time out of their school and yearbook schedules to enter this year's contest. The first nine weeks will be spent in training. You will learn about taking good photographs, how to write journalistically, and how to use computer programs in graphic design and the Walsworth yearbook creator website. After the first nine weeks, you will delve deeply into the creating of the yearbook. Teach your yearbook staff everything from design and writing to photojournalism and coverage using Walsworth's Yearbook Suite curriculum.
